Residential development including new access road at Land at Great House Farm, Leckwith Road, Llandough, Penarth

The Council in pursuance of its powers under the above mentioned Act and Order hereby GRANTS OUTLINE PERMISSION for the carrying out of the proposed development as described above and in accordance with the application and plans received by the Council on 8th November, 1989 subject to the following condition(s):

1. Approval of the details of the siting, design and external appearance of the building(s), the means of access thereto and the landscaping of the site (hereinafter called "the reserved matters") shall be submitted to and approved by the Local Planning Authority before any development is commenced.
2. Application for approval of the reserved matters hereinbefore referred to must be made not later than the expiration of three years beginning with the date of this permission.
3. The development to which this permission relates must be begun not later than whichever is the later of the following dates:
 - (a) The expiration of five years from the date of this permission.
 - (b) The expiration of two years from the date of the final approval of the reserved matters or, in the case of approval on different dates the final approval of the last such matters to be approved.
4. All structures, including proposed dwellings, garages and other buildings sited within the curtilages of individual dwellings, shall be erected on the level areas of land and no structures shall be erected on the steep sloped or wooded areas of the site.
5. The detail plans to be submitted shall provide for an area of 0.25 acres, located adjacent to Leckwith Road and the boundary with St. Dochdwys Church, to be laid out and landscaped as a village green/amenity area prior to the development hereby approved being brought into beneficial use.

6. Vehicular access to the development, with sightlines of 4.5m x 60m shall be provided at the north western edge of the site onto the A4055 Leckwith Road.
7. Any estate roads for the development shall be a minimum of 5.5m in width with a minimum of 1.8m wide footways and 10.5m kerb radii at its junction with the A4055.
8. The proposed development shall not infringe upon or obstruct the existing public right of way which runs along the north western boundary over the site.
9. A landscape scheme for the site showing the trees and shrubs to be retained and further planting, the details of paved areas, verges and other open spaces, shall be submitted to and approved by the Local Planning Authority before any work commences on site. The scheme shall be implemented not later than the first planting season after and thereafter maintained and replaced as necessary for a period of 5 years to the satisfaction of the Local Planning Authority.
10. Before the commencement of the development hereby permitted, a scheme showing the means by which foul sewage and surface water run off are to be catered for shall be submitted to and approved in writing by the Local Planning Authority.
11. Details of proposed finished floor levels in relation to the existing ground levels and the finished levels of the site, including cross sections, shall be submitted to and agreed in writing, with the Planning Authority before development commences.
12. The detail plans shall provide for parking facilities to meet the standards of the Local Planning Authority.
13. The proposed dwellings shall be provided with private garden amenity space based on a minimum standard of 200 sq. ft. per habitable room.
14. The proposed dwelling(s) shall be designed so that no main windows of habitable rooms shall directly overlook the main windows of habitable rooms of other dwellings at a distance of less than 70 feet.
15. The existing stone wall fronting the site, where not directly affected by building operations or the proposed access, shall be retained and made good, in accordance with a scheme to be agreed in writing with the Local Planning Authority, before the development hereby approved is occupied.
16. The developer shall afford access at all reasonable times to any archaeologist nominated by the Local Planning Authority, and shall allow him/her to observe the excavations and record items of interest and finds.
17. No development shall take place until a field evaluation survey and archaeological assessment report has been carried out by a qualified archaeologist to the satisfaction of the Local Planning Authority. This work shall be carried out within three months of the date of this consent.

18. The detail plans to be submitted shall pay full regard to the results and findings of the archaeological investigations referred to in condition 17 above.

The reason(s) for the Council's decision to grant permission for the proposed development, subject to compliance with the condition(s) hereinbefore specified are:

1. To comply with the requirement of Section 42 of the Town and Country Planning Act, 1971.
2. To comply with the requirements of Section 42 of the Town and Country Planning Act 1971.
3. To comply with the requirements of Section 42 of the Town and Country Planning Act 1971.
4. To ensure a satisfactory form of development.
5. To retain and enhance the existing registered village green.
6. In the interests of highway safety.
7. In the interests of highway safety.
8. To ensure that no obstruction takes place on the public right of way.
9. To safeguard local visual amenities.
10. To ensure the satisfactory drainage of the site.
11. To ensure a satisfactory form of development.
12. To provide satisfactory off street parking facilities.
13. To ensure the provision of satisfactory private amenity space.
14. To safeguard the privacy of adjoining occupiers.
15. To safeguard local visual amenities.
16. To enable satisfactory archaeological investigation.
17. To enable satisfactory archaeological investigation.
18. To ensure that the future development of the site has regard to the results of the archaeological investigations.

Dated: 13th March, 1990
